FOREWORD

This entry in the Special Bibliography series presents coverage recorded in the form of periodical articles. The subject is women in the uniformed service of their country.

Coverage on the U.S. and following is alphabetical as shown by the Table of Contents. The closing section is on combat which includes articles on both the theory and practice of using women in such roles. Attention is invited to the acronyms list for citing specific articles which follows the Table of Contents.

Inclusion of an item, or omission, neither implies USAFAS indorsement or sanction of the compiler's point-of-view. Comments or criticism on entries in this occasional series are welcomed.
